Dear Lucine, Hagop, Megheti, Liana, Nairi, Talia, and Ara,

As you bid farewell to AGM and prepare to embark on the next chapter of your education in middle school, always remember that you have a home here at AGM. From the first day you stepped onto campus as wide-eyed young students, to today as confident and capable 6th graders, you have come a long way. As you stand on the threshold of middle school, believe in yourself and your abilities. Embrace the opportunities that lie ahead with courage and enthusiasm. Remember that you have already proven your resilience and determination, and there is no limit to what you can achieve. Congratulations Class of 2023!
