# EAGLE ENDEAVOURS

February was filled with exploration and curiosity for our AGM Eagles. Our Kindergarten class took a trip to the environmental nature center where they explored what plants, animals and humans need to survive. They identified natural food sources, modeled environmental impact, examined natural resources and practiced ways to reduce human impact.

2nd grade spend the day at the Bowers Museum to learn about world cultures, archeology, and art. Lastly, the our 3rd and 4th graders took a trip down the coast to the San Juan Capistrano Mission. The trip allowed our young scholars to immerse themselves in California history and learned more about Spanish colonization of California.

# LUNCH WITH A LOVED ONE

Sharing the love on our campus today during Elementary’s Lunch With A Loved One. Smiles, hugs, and full hearts made today one to remember!

Thank you to all the family and friends that came and spent their afternoon with our students.

# OPEN HOUSE FESTIVITIES

Our Open House showcased the heart of AGM with joyful classrooms, student achievement on display, and a community that feels like family. Thank you to all our new, returning, and community members for attending our annual Open House and taking a tour of our campus. From meeting teachers and staff to seeing the showcased student artwork, thank you for being a part of what AGM has to offer.

# KAHAM CLOSING CEREMONY

From the sidelines filled with cheering parents and grandparents, to our students standing tall with pride, it was a reminder that when a community rallies, our children rise. AGM was recognized and received the Achievement Trophy. AGM is growing in every way. And watching it unfold through our children is the greatest reward.

# THE PRESCHOOL POST

In February, our preschoolers had a wonderful month filled with learning, creativity, and hands-on fun! We explored themes of friendship and kindness as we celebrated Valentine's Day, practicing sharing, cooperation, and using kind words with one another. The children engaged in exciting sensory activities, art projects, and early literacy lessons that strengthened their letter recognition and phonics skills. We also focused

on health and wellness, learning about keeping our bodies strong through movement and nutritious foods. One of the highlights of the month was our special Breakfast with a Loved One, where families joined us for a sweet morning of connection and community. Through music, storytelling, and interactive play, our students continued building confidence, independence, and social skills while having so much fun together.
