WHAT'S BREWIN WITH THE BOARD?

BY JIBIT CINAR

Dear AGM Family,

I currently serve as the school board's chairperson. Our family has been a part of the AGM community for the past 12 years. We have 2 daughters--Liana, who is in the 5th grade, and Lara, Class of 2019. It is with gratitude that I have the opportunity to serve our school and community alongside an amazing, dedicated team of parents--and you'll have an opportunity to hear from them as well in upcoming issues. For now, I am excited to share the following items we have been working on behind the scenes:

- Successfully expanding AGM's preschool license to add a classroom, increasing our capacity to 62 preschoolers;
- Efforts are being made to increase security on campus during school hours;
- Adding a support specialist teacher to the faculty;
- Renovating the teachers' storage area;
- Effectively preventing a school closure!

The preschool Post

OUR NEWEST CLASSROOM!

The beginning of the new year was especially exciting for our AGM Preschool family, as we were finally able to open the doors to our 5th preschool classroom, making this the largest our preschool has ever been. The new Red Class with Oriort Maria Balekjian is now home to our youngest Eagles from ages 2 to 3 years old.

TEACHER SPOTLIGHT: LEEZA SINDAHA

Ms. Leeza joined the AGM team this year as a support specialist for our elementary students. This is the first time in the school's history that we have been able to launch a program of this kind! She has been a teacher for the past 5 years and has worked in the field of education for the past 10 years. She has been working with students in small groups in subjects such as English and Math. Ms. Leeza's outlook on the year is a positive one as she is "looking forward to working with the

students and ensuring the success of all students at AGM."

THE 7 THINGS I WOULD TELL MY YOUNGER SELF

MS. LAUREN ABAJIAN

1. Listen to your parents, they are wiser than you think and they always have your best interest at heart.
2. SAVE, SAVE, SAVE money. Even if it's only a little each month. Save!
3. Don't be so hard on yourself. As long as you are truly trying, you are doing great!
4. Stand up for yourself.
5. You don't need to TRY and fit in. Being your authentic self will be just fine.
6. Don't fear failure. You have to fail sometimes so you can grow.
7. MOST IMPORTANT: Trust your intuition.

THE COUNCIL'S CORNER

Happy New Year from the AGM Student Council! Since the school year started, we accomplished many goals from our food drive to our very successful candy gram sales! This year we have many things in store for our fellow AGM student body. Valentine's Day is around the corner and we have a sweet surprise that we can't wait to pass out to you all to show our love and appreciation for this school. We are also working on planning fun dress up days for Reading Month! Stay tuned to find out all the things we have planned in the coming months!
