# AID TO OUR HOMELAND

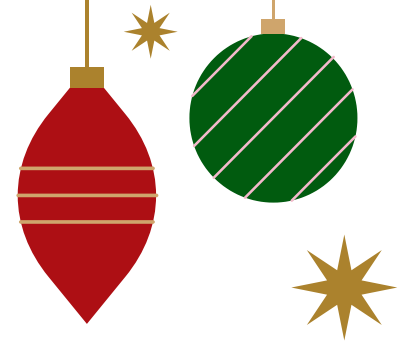

Our students have been working tirelessly to support out brothers and sisters in our sacred homeland during the cold winter months and the recent Berdzor Corridor Blockade. Students hosted a pizza and lahmejoun sale and donated all of the money made to **With Our Soldiers**, an initiative founded by the Armenian Youth Federation. The student council also decided to donate all of the Christmas Candy Gram funds to **The ARS "Solar Artsakh" Initiative**. Due to the increase in tensions in our Homeland, our brothers and sisters are left without gas and heating during the cold winter months. Our students take pride as members of the Armenian Diaspora and their passion for their homeland and culture grows brighter every day.

# CHRISTMAS FESTIVITIES

Getting into the Christmas spirit!

**MESSAGE  
FROM**

**ANI SARKISSIAN  
PRINCIPAL**

**As we conclude 2022, and break for the winter holiday, I want to take a moment to express my heartfelt gratitude to all who help make AGM an amazing place to be. We are a community with many gifts and talents, which we share daily with one another and most importantly, our students.**

**From the classroom, to our living room and all points in-between, our collective efforts to raise the whole child are filled with passion, commitment and a willingness to make decisions that may be hard in the present, but will have a positive and lasting influence in the future for all.**

**In the spirit of this holiday season, I want to extend my thanks to all of you for everything that you do for our school. As we enjoy the upcoming holidays, it is my fervent wish that each of you receives and returns the seasonal bounty of blessings and good tidings that make these days truly special.**

**MERRY  
CHRISTMAS**
