SCHOLARS AT WORK

Զբաղած իրենց աշխատանքով:

Kindergarten disguised turkeys for our monthly project.

1st: Learned about “how-to” writing by using the writing process to explain how to properly make a peanut and jelly sandwich!

6th graders participated in an AGM tradition and received their 6th grade sweaters!

AGM ARTISTS

The talent glows so bright in our students!

3rd - 6th: Worked on decoupage and lanterns that light up and give a soft glow!

AN ADVENTURE AT

Athens Services

K-6th graders visited Athens Services to experience the behind-the-scenes of recycling and keeping our planet clean! Their new friend, Rocky the Raccoon, taught them all about the importance of recycling and environmental protection! They learned that trash is useful and saw firsthand where and how it is sorted.

KINDNESS WEEK

November 14-18

BE KIND
TO ALL
KIND

From Mrs. Ani reading "Buckets, Dippers, and Lids" to students, to making a kindness quilt, AGM Kindness Week taught our students the impact of being a good person towards others and to themselves.

GIVING THANKS

Happy Thanksgiving from our school family to yours!

Festivities galore at AGM today! On top of all the alumni back for a second day to visit their beloved school, students learned and participated in the beautiful tradition of ghapama making with Ort. Ani! The day was topped off with a magic show, a delicious Thanksgiving lunch with faculty, students, and alumni, and even a game of Steal the Bacon!
